

Welcome

Transnational Collaboration

**Supporting Innovation in
Digital (Higher) Education**

22 February 2022

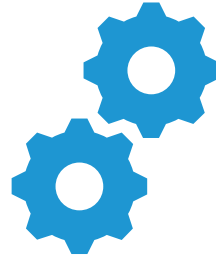

DAAD

Deutscher Akademischer Austauschdienst
German Academic Exchange Service

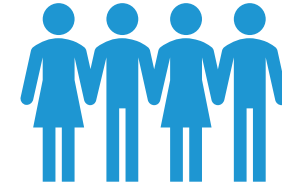

Three parts

**Change by global exchange:
funding international
university-business
collaboration**

**Change for exchange:
supporting the digital
transformation at HEI**

**Change by exchange
with international
Communities of Practice**

Deutscher Akademischer Austauschdienst
German Academic Exchange Service

University-Business Partnerships

Examples from DAAD portfolio:

- Partnerships between German HEI and businesses and HEI in developing countries
- 8 Global Centres for Climate and Environment & Health and Pandemic
- Internationalisation of Universities of Applied Sciences
- European University Alliances

Deutscher Akademischer Austauschdienst
German Academic Exchange Service

Supporting the Digital Transformation

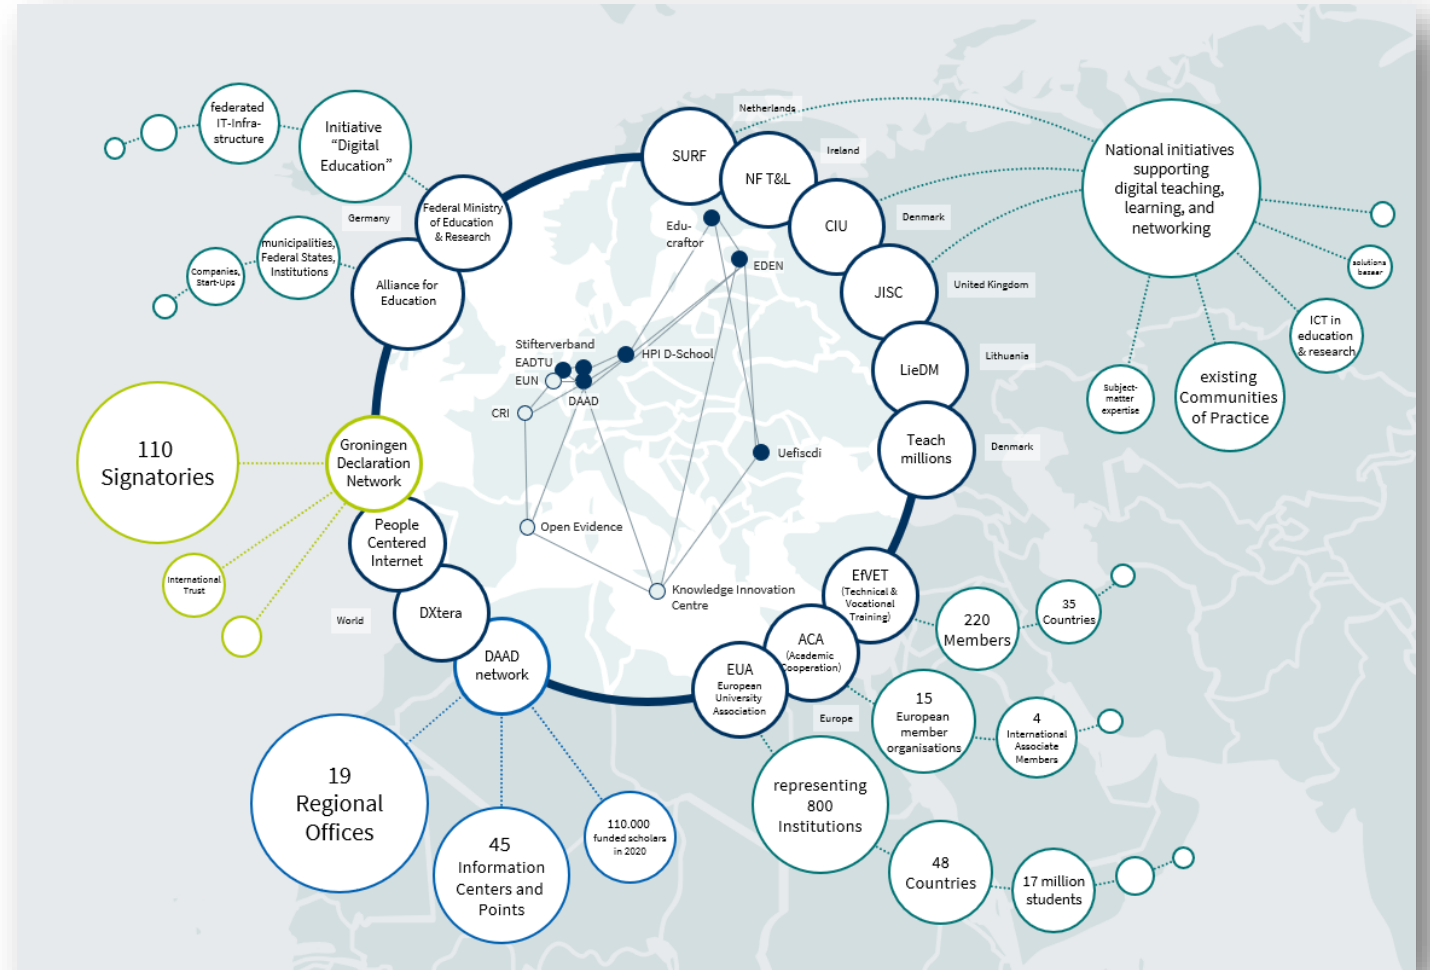

The aim: seamless international mobility

- **Digital services** along international learning pathways
- **High-quality digital learning** embedded in the curriculum
- **Virtual Exchange** scenarios to foster collaborative international learning

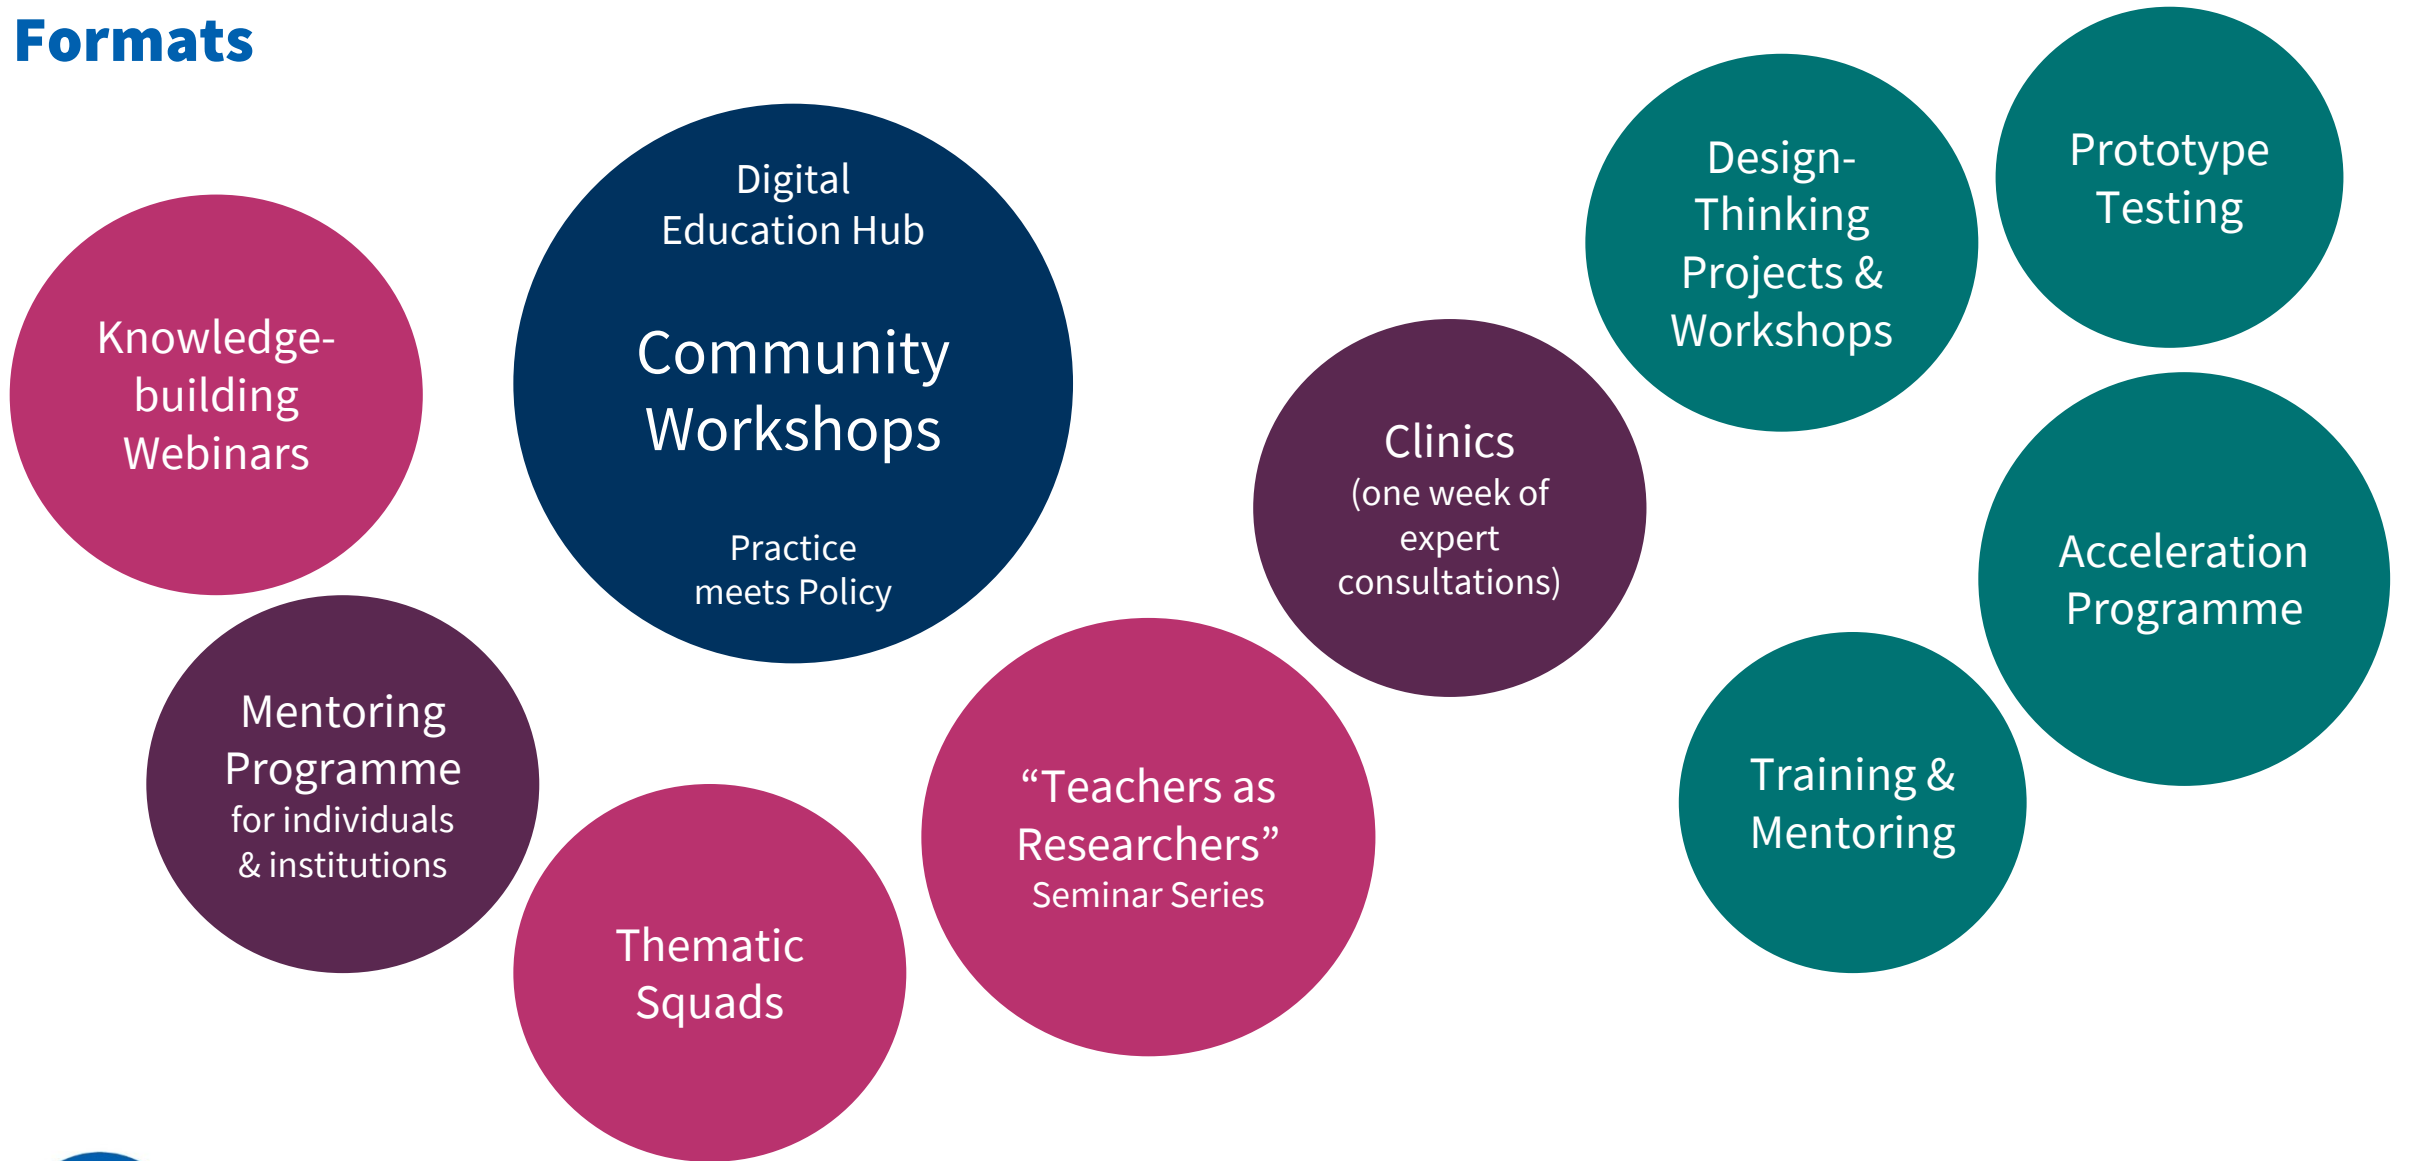

European Commission's Digital Education Hub

- **Community of Practice**
- open to all sectors of education
- collaborating across sectors, jointly developing solutions
- knowledge-sharing and mapping of best practices
- accelerating **innovation** in digital education
